DIAGNOSTIC HISTOPATHOLOGY OF BONE AND SOFT TISSUE TUMORS

An update based on WHO Classification

PADUA
MAY 5TH, 2022
MAY 6TH, 2022

Centro Culturale Altinate San Gaetano
Via Altinate, 71, Padua (Italy)

The conference

“Diagnostic histopathology of bone and soft tissue tumors. An update based on WHO Classification”

will gather experts and participants from all over the world.

The Department of Pathology of Azienda Ospedale-Università Padova, organizes a two-day course focused upon the diagnostic pathology and molecular genetics of bone and soft tissue. The course will be co-directed by Prof. Christopher D. M Fletcher, Professor of Pathology, Harvard Medical School, Boston, MA, USA and by Prof. Angelo Paolo Dei Tos, Professor of Pathology, University of Padua School of Medicine, Italy.

The course is directed to pathologists and will include lectures and slide seminars.

SLIDES SUBMISSION

Attendees are invited to submit cases for the Diagnostic Histopathology Slide Seminar by April, 02nd 2022.

For each case, submission of a short clinical history, and a paraffin block form which at least 70 sections can be prepared, is required.

The most relevant cases will be evaluated by the Scientific Board and presented during the dedicated sessions. For any further information please contact the organizing secretariat.

Due to Covid regulations it will not be possible to register directly at the meeting venue. For any further information, please contact the Organizing Secretariat.

Access to the meeting is allowed only to those have the Covid-19 Green Pass certification. Verification of the aforementioned requirement will be carried out at the entrance of the meeting venue by personnel in charge.

This information is intended to sensitize all participants to be in compliance with the health measures recommended by the authorities and in compliance with the measures for the mitigation of the contagion risk.
